

Kite & Wing Repair Form

Name: _____ Email: _____

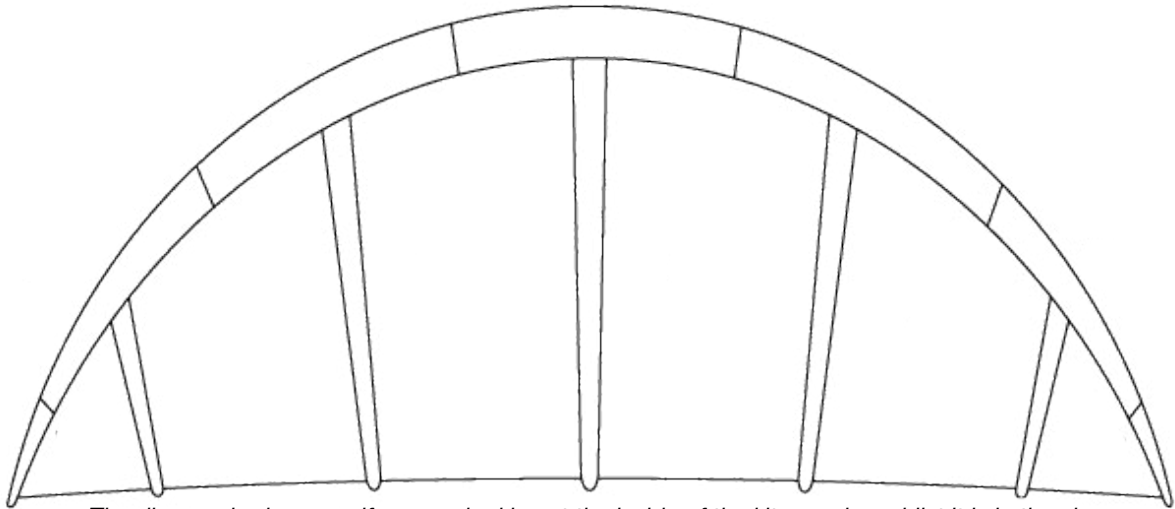

Phone: _____ Date Sent: _____

Address: _____

Repair Description: _____

Make: _____ Model: _____

Serial (if requested): _____ Size: _____

The diagram is shown as if you are looking at the inside of the kite or wing whilst it is in the air

Print this form, noting the areas of damage to your kite or wing on the diagram above, and pop it in the bag with your kite or wing. Alternatively, email a photo of your completed form to chris@sorekites.co.uk.

Please be sure to clean and dry your kite or wing before sending or dropping it off to us. We can't put wet, sandy and salty materials through our precision machinery. If we have to clean and dry your equipment there will be an additional surcharge.

This section for Sore Kites office use
